Welcome to Waingroves Show

Supported by
Fisher Transport

Waingroves Show is back for 2024 and bigger than ever!

Last year's Show was super hot all weekend and made for a fantastic weekend of family fun. We've put in an order for some bright sunny weather again for this year too... but we can only wait and see about that!

Until then there is plenty to do to prepare for the Show Weekend! As always, we have our ever popular Horticultural Show packed with things to do all throughout the summer holidays! We also have a new Recipe Challenge for this year... An Almond Tart! Remember: practice makes perfect! We're basically giving you an excuse to do extra baking (shhh... we'll keep it a secret if you do!). It is a trickier recipe this year though as you'll need to balance the timing of baking both the pastry and the filling at the same time.

But don't worry, we've got your exercise covered too just in case. The Fun Run on Sunday 15th September is approximately two miles around the village starting and finishing at the School. You can even come along in Fancy Dress and try and win that coveted cash prize! The bigger, brighter, sillier and more fun the costumes are the better!!!

We are all super excited that the Show is almost here and we hope you are too. The rest of this programme has all the details you could need for all the goings on across the weekend from Friday night music in the Thorn Tree Inn to the Showground on Sunday afternoon.

We can't wait to see you there!

Tips for Exhibiting

- Read the schedule carefully. Have you got the correct number of items, right size/weight and followed the instructions?
- Judges will be looking for uniform sizes and consistency in groups of items
- Items should be free from damage; produce and flowers should be fresh and make sure that baking is cooked, but not burnt!
- Think about how you stage your items - a black cloth under vegetables can make them pop; for cut flowers wrapping the stems in newspaper allows you to place the blooms evenly to show them off, present dressmaking on a hanger to see the garment
- Any questions please get in touch
- Most of all enjoy having a go!
