Welcome to Waingroves Show

Can you believe it's 40 years since the start of Waingroves Show??? Honestly we can remember the past 4 decades like they were yesterday but looking back we can see just how much we've grown!

So much of the Show has changed over the years, improving year after year while some parts feel just as familiar now as they did 40 years ago!

Some people that used to come to Waingroves Show when they were kids are now coming to the Show with kids of their very own! We feel

so privileged to be such a part of everyone's lives and look forward to being a part of them for many years to come!

To celebrate this big anniversary, we have a few new categories in the Horticultural Show which all have bumper prizes to win! We can't wait to see the Time Capsules in the Children's section as well as all your old photos of Shows past!

HAPPY 40th BIRTHDAY WAINGROVES SHOW!

Waingroves Primary School

At Waingroves Primary School we are proud to be recognised as a good school by OFSTED:

- Waingroves Primary School continues to be a good school. Pupils are happy to attend the school. Leaders have created a caring culture based on mutual respect. Everybody is made to feel welcome in the school.
- Staff and pupils share high expectations for behaviour and for what pupils can achieve. Pupils try hard and behave well in lessons. They work and play together enthusiastically. Pupils enjoy positive relationships with teachers. They say that they feel safe and cared for.
- Pupils know who they can talk to if they are worried about anything. They trust that teachers and other adults will help them resolve any problems quickly.
- Pupils benefit from many opportunities to work with others. In the early years, teachers plan activities for children to work together. This helps them to develop important social and communication skills.
- In key stages one and two, pupils have many opportunities to work with 'learning partners'. Pupils gain the confidence to talk about their own ideas and to listen to others. They display mature attitudes and are respectful of each other.

Chapel Park Big Band & Little Band

The Chapel Park Big Band & Little Band rehearses fortnightly in Waingroves Methodist Church. The Big Band was formed in 1998 and until recently conducted by Vince Eno and is now equally expertly conducted by son Jon Eno BEM. The Big Band plays big band jazz joyously from the likes of Duke Ellington and Glen Miller to more modern numbers and vocals. The Little Band is equally joyous but allows improvised solos too.

Both bands are available for concerts in venues such as churches and village halls with the Little Band more in demand for smaller venues and parties.

Clips of music can be found on the band Facebook page (ensure you are looking at the FB site with our logo).
