

## How to make... a Collage

### Instructions:

#### Step 1:

Next time you're out for a walk around the woodland, have a look for fallen dried leaves and twigs or moss to take a little of for your collage! You might even find things you want to use in your back garden but remember to ask mum and dad first before you start picking flowers! If you're in the woodland too please remember that some flowers like bluebells are protected by law so please don't pick them.

**Step 2:** Once you have all your materials ready, grab some paper or card and stick them to it to create your picture!

#### Step 3:

Remember to put your collage safe until Waingroves Show weekend and bring it down to the Horticultural Show! Every entry will receive a bar of chocolate for free and 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place all win cash prizes!

### You Will Need:
