

How to make... 4 Decorated Sponge Buns

Instructions:

Introduction:

There are different recipes available to make cupcakes but this one is quick and simple! If you want to add extras like chocolate chips or dried fruit or you want to try a different recipe altogether then that's ok too! Remember to ask parents for help with the kitchen!

Step 1:

Preheat the oven to 180C or Gas Mark 4.

Step 2:

In a mixing bowl, sift the flour and add the butter, sugar and eggs. Using a whisk, mix everything together thoroughly. If the batter is too runny then just add a little more flour, if it is too thick then just add a little water.

Step 3:

Add the batter to the cases. This recipe should make approximately 12 cupcakes.

Step 4:

Bake in the oven for 10-15 minutes. To check if they're cooked properly, insert a cocktail stick into the cupcake and if it comes out clean then they're cooked!

Step 5: Let them cool and then decorate them any way you like!

Step 3:

Remember to cook some fresh ones for Waingroves Show weekend and bring them down to the Horticultural Show! Every entry will receive a bar of chocolate for free and 1st, 2nd and 3rd place all win cash prizes!
