

How to make... A Rainbow

Instructions:

Introduction:

Everyone around the country has been putting Rainbows into their windows to lift the spirits of everyone during the quarantine so for this year only as a special class in the show we have decided to let you bring them in and show them off so everyone can see your wonderful rainbows.

Step 1:

Decide on how you want your rainbow to look. Do you want to do a drawing or a painting? Do you want to make a 3D one out of card or Papier Mache? Do you have some clay to make one a bit stronger? How about balls of coloured paper glued together in a Rainbow? It's up to you how you want your rainbow to look so grab the things you need to make it and have fun!

Step 2:

Remember to put your Rainbow safe until Waingroves Show weekend and bring it down to the Horticultural Show! Every entry will receive a bar of chocolate for free and 1st, 2nd and 3rd place all win cash prizes!

You Will Need:

- Any craft items you have around the home.
E.g.
- Paints
- Cardboard
- Felt
- Glue
- Coloured Paper

Have fun and good luck!!!
